

"Victoria Harbour" reveals clubhouse "Club Vici", grand opulence that redefines a prestigious lifestyle

"Victoria Harbour", SHKP's harbourfront landmark in North Point, is located at a rare waterfront site on Hong Kong Island with unlimited potentials. The prestigious private residents' clubhouse "Club Vici" has been meticulously designed to provide a variety of premium facilities and services. This haven of luxury offers a magnificent private leisure space of approximately 28,900 square feet¹.

Dazzling clubhouse lobby imparts prestigious style

To highlight the development's stunning harbour views², a ripple-themed décor runs throughout "Club Vici" in different forms, which echoes the adjacent Victoria Harbour. Clubhouse lobby "The Thrones" is decorated with crystal chandeliers from top-class Czech brand Preciosa, extending the sense of space upwards. Floor-to-ceiling glass doors at both the front and back of the lobby allow natural light to blend with the crystal chandeliers. The floor-to-ceiling glass walls of "The Thrones" provide views to the outdoor "The Harbour Garden", an expansive lush area that provides residents with a relaxed green lifestyle.

Luxurious swimming pools of about 60 metres for exquisite pleasure

The twin swimming pools at "Club Vici" feature a special linked design that extends the development's geographical advantages of being situated next to Victoria Harbour. The nexus design of adjoining indoor and outdoor pools is rare on Hong Kong Island, providing a premium luxury experience exclusively for residents. The outdoor "King's Pool" adjoins the indoor "Queen's Pool"³, stretching a total length of around 60 metres.
