

SHKP Club family tour of PARK YOHO^{1,2,3} Fairyland

Being closer to nature can be both refreshing and relaxing. SHKP's PARK YOHO is near one of the few intertidal wetlands left in Hong Kong, which the developer has called Fairyland. It is close to the internationally significant Deep Bay wetlands so various types of plants flourish, making it a great place to learn about wetland ecology. The SHKP Club's recent Fairyland at PARK YOHO^{1,2,3} family tour was very popular with members.

Appreciating wetland ecology with experienced guides

Members and their relatives toured Fairyland and learned about the butterflies, migratory birds, dragonflies, damselflies, reeds and mangroves led by professional guides, at the same time as they felt the serenity and nature of Yuen Long. Participants attended a preserved flower Tea Cup workshop with a wetland garden theme and received Fairyland tour stamp books and 'I am a little wetland manager' certificates after the tour. The fun learning experience strengthened bonds between parents and children as they enjoyed time together.

Notes:

- ¹ No sales or viewing of units in the development were involved in the tour.
- ² Only SHKP Club members and their relatives were eligible to participate in the tour and no expressions of interest in purchasing units in the development were accepted.
- ³ The SHKP Club's Fairyland at PARK YOHO family tour was held on 22 and 23 April 2017.

The number of visitors and frequency of visits to the Fairyland will be adjusted and controlled by the manager. Residents can join guided tours* of the wetland which will be regularly organized by the clubhouse. *The clubhouse and its recreational facilities may not be available for immediate use at the time of handing over of the residential properties in the development. Residents must comply with the deed of mutual covenant, terms and requirements of relevant government licences and regulations, and may be required to pay a fee.
